

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

At its meeting held October 28, 2008, the Board took the following action:

21

The following statement was entered into the record for Supervisor Burke:

“At 10:00 a.m. on November 13, 2008, millions of Southern Californians will have the opportunity to participate in The ShakeOut Drill, the largest earthquake preparedness activity in history of the United States, along with other activities on emergency preparedness during the period of November 12 through 16, 2008.

“The County of Los Angeles, in conjunction with The ShakeOut Drill, will be participating in The Golden Guardian Exercise, an integrated full-scale emergency exercise taking place November 13 through 18, 2008, to test the County’s readiness to respond to a 7.8 magnitude earthquake.

“All Los Angeles County employees and residents are encouraged to continue taking emergency preparedness actions to make themselves, their neighborhoods, businesses, and schools more self-sufficient in the event of a major disaster such as a large scale earthquake by registering and participating in The ShakeOut Drill.”

Therefore, on motion of Supervisor Burke, seconded by Supervisor Antonovich, unanimously carried (Supervisor Knabe being absent), the Board took the following actions:

1. Went on record to support the County’s commitment to The Great Southern California ShakeOut Drill;
2. Encouraged Los Angeles County employees, residents, businesses, schools and organizations to register to participate in this important emergency preparedness initiative at www.ShakeOut.org; and
3. Proclaimed November 13, 2008 as “The Great Southern California Shakeout Day” throughout Los Angeles County, in coordination with Los Angeles County’s full-scale Golden Guardian Exercise, an integrated full-scale emergency exercise taking place November 13 through 18, 2008, to test the County’s readiness to respond to a 7.8 magnitude earthquake.
